Important to NOTE:
4+1 Students are admissible to the graduate MPH program at the end of their 4 year undergraduate program- usually the summer of that end of the academic year.

COURSES REQUIRED TO BE COMPLETED DURING THE SUMMER BEFORE FALL SEMESTER OF YEAR 5
PUBH 7196 Applied Practice Experience in Environmental Health (1-5 cr)
Students may also consider taking General Core Courses that are offered online during the summer either in addition to or instead of taking PUBH 7196.

COURSES REQUIRED TO BE COMPLETED DURING YEAR 5
Students must complete the General Core Course Requirements, Division Core Course Requirements, Concentration Course Requirements, and electives for a total of 42 credits by the end of Spring Semester of Year 5.

FULL MPH CURRICULUM
